

## ChPRO™ CHIEF PROGRAM OFFICER™ CERTIFICATION FACTSHEET

### About ChPRO™ Chief Program Officer™ Executive Certification

ChPRO™ Chief Program Officer™ executive program is a global based credential that recognizes executive level leadership who require a general understanding about the application, value and benefits derived from the use of program management, project control, project management, risk management and quality management in the executive level management and oversight of projects and programs within their organizations.

The ChPRO™ Chief Program Officer™ credential certification program is a unique and cutting edge **2-day** project controls and project management program for Chief Project Control Officers, Project Executives, Project Directors, Vice Presidents, Senior Managers, Senior Program Managers, Project Control Officers (PCOS) and Project Managers who work across all industries. ChPRO™s achieve total project control and monitoring, total project execution, oversight and deliver total successful project roll-out, which means, projects with ChPRO™s assigned to, are delivered within budget, within cost and of top quality.

The ChPRO™ Chief Program Officer™ program is aimed at the present and next generation of Vice Presidents, Chief Project Officers, Senior Project Managers, Senior Managers, Program Managers, Project Control Officers (PCOs), Managers, Project Engineers and Senior Engineers working for dynamic global companies across all major industries such as Infrastructure, Mining & Metals, Oil & Gas, Aerospace & Defense, Energy, Utilities, Heavy Construction, Information Technology (IT), Cyber Security, Agriculture, Pharmaceuticals, Bio-engineering, Engineering (all areas) and US Federal Government agencies to name a few.

## ChPRO™ CHIEF PROGRAM OFFICER™ CERTIFICATION FACTSHEET

### My ChPRO Strategy Playbook™ –

All ChPRO™ participants will create their **“My ChPRO Strategy Playbook™”** and will apply their playbook to implement strategies for comprehensive industry standard Risk, Earned Value Management Systems (EVMS) and Quality Management Systems across their programs and organizations. **“My ChPRO Strategy Playbook™”** is based on completing ten exercises based on the ten modules covered. All templates and forms for your **“My ChPRO Strategy Playbook™”** will be provided. **“My ChPRO Strategy Playbook™”** provides all C-Suite Institute™ certified ChPRO™s with a set of high level Earned Value Management Systems (EVMS) implementation strategies, Risk Management Industry Standards implementation strategies, Quality Management industry Standards implementation strategies, Planning & Scheduling Strategies, EVMATOM® Earned Value Management Accountability Transparency and Oversight Matrix® strategies, and best practices Program Management and Project Control strategies used to effectively and efficiently manage programs across all industries successfully, which means, all programs are delivered within budget; on schedule and of top quality. Additionally, **“My ChPRO Strategy Playbook™”** contains the strategies to implement a scalable and comprehensive industry standard compliant EIA 748-C Earned Value Management System (EVMS) and to resolve variances, problems and crisis on all programs among others

All ChPRO™ participants **must read** the ISO 31000 (2018 version) Risk Management Industry Standards, EIA 748-C Earned Value Management Systems (EVMS) industry standards and ISO 9001: 2015 Quality Management Industry Standards. All ChPRO™ participants must apply Risk, EVMS and Quality Industry Standards on all their projects and at their organizations. Case studies and case reports on actual projects are given during the two days of ChPRO™ certification training.

*ChPRO™ Chief Program Officer™ executive certification program is given in English language only. ChPRO™ Chief Program Officer™ certification is a life-time certification and never expires.*

There are no exams given however all ChPRO™ participants must complete and submit their **“My ChPRO Strategy Playbook™”** as a requirement for ChPRO™ certification.
